Speaker Instructions

The allotted time for your presentation is indicated on the meeting agenda. Please structure your presentation to allow approximately 3 minutes for questions/answers within the total allotted time.

Electronic presentations are required. Please email your final presentation to JoAnn DiDomenico at joann.didomenico@netl.doe.gov, by **Friday, July 14, 2017**. In addition, please bring a copy of your presentation on a thumb drive to give to the A/V technician in the meeting room prior to the start of your session.

If you have any special A/V requirements (e.g., overhead projector, audio), please indicate below:

Contact JoAnn DiDomenico at (304) 285-4750 for additional information on A/V requirements.

Presenters are hereby notified that foreign nationals may be in attendance at this meeting and that compliance with U.S. export control laws and other restrictions with regard to materials and information to be released are the responsibility of the presenter.

By signing this form, I grant to the Government and others acting on its behalf, a paid-up, non-exclusive, irrevocable worldwide copyright license in the subject paper and abstract to reproduce and distribute copies to the public by or on behalf of the Government. Further, I grant NETL permission to post my abstract and conference presentation on the NETL Internet web page for the public to read and download.
